Our services

Standard Review

The "[Standard Review](#)" service resembles the official review process and provides a detailed report about the way the project is presented. It includes a single review cycle followed by a question and answer session.

Deep Dive Review

The "[Deep Dive](#)" review service is our most in-depth and interactive process of preparing the application from idea to submission. During this comprehensive service, we accompany you through every single step of the grant-writing process.

ERC Interview preparation

An individual and entirely researcher-centric [interview preparation service](#), based on the applicant's ERC proposal and the selected review panel(s).
